VOLUME XXXI

We are embarking on a new era. It is a time of anticipation and becoming. It is a time of anticipation because we look to the future with confidence knowing who we are and what we are capable of doing. It is a time of becoming because we are in a state of metamorphosis, leaving behind childish ideas and habits and assuming identities which reflect the true spirit of the man. Can anyone doubt us if we maintain the ideals we espouse. Truly we can say of ourselves "Viriliter Age."

The Letterman have made themselves a better organization through the direction of Brother J. A. Pettit. Under Brother Pettit, they have acted as crowd control at basketball games, rallies and other school functions. The Letterman also represent the highest standards of the Cantwell student body. They reflect the intellectual, athletic and moral development of each student in the school. It is through this organization that both school pride and spirit are developed.

The National Forensic League is an organization that was founded over half a century ago to foster in high school students leadership training through public speaking.

There are chapters in NFL throughout the nation, and Cantwell High School, this year, holds affiliate status in this national honorary speech society.

In order to accomplish the organizational goals, speech contests are frequently held throughout the academic year. Students are encouraged to participate in Oxford Style Debating as well as the Lincoln-Douglas style of debate. They are also afforded the opportunity to compete in individual events such as Extemporaneous Speaking, Original Oratory, Expository Speaking, Dramatic and Humorous Interpretation. Community organizations such as the Lions Club, Optimists, and Rotary Club all have speech contests where in the student speaker may compete.

The officers of NFL were: President, Mario J. Waldor, Vice-President, Vincent Valdez, and Secretary, Ernest Gomez, The advisor was Mr. Leonardo S. Regalado.

Cantwell's chapter of CSF 507 is only one chapter in this state-wide organization. CSF was founded over fifty years ago to give recognition to students who achieved, academically, in high school. Requirements to enter CSF are high; a student must have a 3.75 in solid subjects.

In addition to academic recognition, CSF attempts to instill in each member the Federation motto which is "Scholarship Through Service." To that end, members are encouraged to utilize their talents for the betterment of society. Most often, CSF members engage in a tutoring program in their respective schools

Throughout the year, members are encouraged to attend field trips that are educational in nature. In the Spring, the annual CSF Conference is held. This year the site of the conference was UC Urvine.

The officers of CSF were: President, Paul Lee; Vice-President, David Sirias; Secretary, Martin Springer. The advisor was Mr. Leonardo S. Regalado.

The Audio-Visual room is really the nerve center of the school. It is here that all announcements are written and typed up, educational materials run off, and audio visual equipment such as projectors and tape recorders signed out to the different classrooms.

The Cardinals opened the season with three non-League victories over Santa Paula, Montebello and Keppel. They then suffered three tough losses to St. Anthony, St. Genevieve and Salesian. The Cards rebounded with a victory over Verbum Dei. At Homecoming Coach Cullen-Carroll's Varsity made it a happy occasion with a 13-12 victory over Daniel Murphy. The final two games against Serra and Mary Star were two hard fought contests with the Cardinals coming up short both times.

Even though the Cardinals had only three returning starters in Peter Lavin, Victor Vargas and Joey Espinosa, they put forth a valient effort to finish with a .500 season. Offensively, the Card leaders were Victor Vargas and Peter Lavin. Defensive leaders were All-League selections George Ibarra, Frank Rivera and signal caller Manuel Duran.

The 1979-1980 Cantwell J.V. football team, under the guiding hand of coach David Estrada, exhibited a potent offense. The team was led by M.V.P. quarter back Chris Lopez who threw for 12 T.D. passes and the running of the J.V.'s best offensive player Paul Garcia. The defense was anchored by standout Eddie Jimenez as middle linebacker. Additional honors went to Tony Villareal (Coaches Award) and Dimitri Haeff (Most Improved).

Overall, the J.V.'s played a great year of football. Offensively and defensively they put on a show any football fan would appreciate. These young stalwarts proved that they are ready to make the move to Varsity football.

Even though the freshman football team lacked the punch in offense, they made up for it in defense. Our opponents only scored 24 points through the whole season. That's a spectacular goal for a freshman football team. These kids were proud of their defense because they believed in it. This Cardinal team had a great bunch of kids who were willing to learn but couldn't get it together. I'm sure they learned something about football, and they're going to be back next year.

After dropping two of three preseason meets, the enexperienced Cards entered the Camino Real League schedule with easy victories over St. Anthony and St. Genevieve. Entering the toughest part of the schedule Cantwell dropped a disappointing meet to arch-rival, and eventual C.I.F. champion, Salesian before co-M.V.P.'s Joe Delgado and Andy Aragon led them to two closely fought victories over Serra and Murphy to assure a second place finish in League competition.

The 1979 Cantwell Cross Country team was a well balanced team with a lot of depth. During the season, where they posted a record of 6-2, they had a string of 5 victories by shut-out. Their only league blemish was to power house Salesian, and they easily rolled over the rest of their league.

Cantwell's varsity basketball team finished the year with nine victories. This was the most wins by a Cantwell varsity team in over ten years. Cantwell once again had to compete in the toughest basketball league in C.I.F. 4A division. Cantwell's tallest player was only 6'2", but they played tough defense and worked hard to complete a respectable season.

# FRESHMEN SHOW TALENT

Standing, L-R: R. Melendez, E. Ramirez, E. Bernal, G. Rivera, M. Melendez, T. Periera, R. Reyna, H. Baldenebro, T. Marino, T. Velasquez, G. Gonzalez, H. Ramirez, S. Fabbri. Kneeling: Coach F. Hernandez.

The 1980 Freshmen Basketball team showed that it had talent and poise as was witnessed in the St. Genevieve game when the young Cardinals rallied to a 56-54 come from behind victory. Trailing at halftime 34-5, the Cards made up a 29 point deficit. The most notable of the "comeback Cardinals" were: guards, Roland Melendez, Greg Gonzales and Hector Ramirez; forwards, Gilbert Rivera and Henry Baldenebro; center, Anthony Periera. Bench strength came from Ruben Reyna and Tony (three steps) Velasquez. This oung crop of freshmen talent is expected to reestablish a proud and winning basketball program at Cantwell.

# SOCCER: LEAGUE CHAMPS

First Row, L-R; R. Hew, R. Lopez, R. Castro, D. Perales, P. Lee. Second Row: Coach R. Hesse, M. Duran, A. McTaggart, B. Cevallos, P. Gomez, A. Rojas, P. Avila.

1980 proved to be a very rewarding year for Cantwell soccer. It was the first time, since soccer began at the school back in 1976, that the team won a championship.

Leadership, aggressive play, and teamwork were the three main aspects that made this team click. Team captain Manuel Duran, with his aggressive style, lead the way on defense. The remainder of the squad seemed to adopt his fast moving tempo, and before long the offense was playing as well as the defense.

There were many team as well as individual highlights this past season. The 9-0 shellacking of Salesian on January 2 and the two overtime wins against Murphy were among the biggest.

Individually, sophomore forward Doug Perales captured the League M.V.P. honors. He was also a member of the All-League first team, as were teamates Fernie Gomez, Phil Avila, and Ricky Castro. Members of the second team included: Manuel Duran, Paul Lee, Ben Cevallos, Ruben Lopez and Randy Hew.

Cantwell Soccer 1980 - It was a very good year.
